

Zobia Masood

Frontend Developer | React.js | MERN Stack

Karachi, Pakistan | +92 323 2623541 | zobiamasood105@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

BBIT student and entry-level Frontend / MERN Stack Developer with hands-on experience through two frontend internships and personal projects. Skilled in building responsive user interfaces with React.js, JavaScript (ES6+), and Tailwind CSS, and integrating REST APIs using Fetch and Axios. Familiar with Node.js, Express.js, and MongoDB through full-stack personal projects, and comfortable using Git/GitHub in development workflows. Quick learner with strong problem-solving skills and an interest in contributing to a frontend or MERN stack development team.

TECHNICAL SKILLS

Frontend: JavaScript (ES6+), HTML5, CSS3, React.js, Tailwind CSS, Bootstrap 5, Responsive Web Design

Backend: Node.js, Express.js

Database: MongoDB, MySQL

API Integration: REST APIs, Fetch API, Axios

Tools: Git, GitHub, VS Code, Postman, Vite

Languages: JavaScript (ES6+), C++

EXPERIENCE / INTERNSHIPS

Frontend Developer Intern — Udevs

Jan 2026 – Apr 2026 | Remote

- Completed assigned frontend development tasks using React.js, JavaScript (ES6+), HTML5, CSS3, and Tailwind CSS to build responsive user interfaces.
- Integrated REST APIs using Fetch and Axios, applying async/await, loading states, and error handling for reliable data flow.
- Debugged UI issues and tested pages across browsers to maintain consistent cross-browser compatibility.
- Used Git and GitHub for version control while working on assigned tasks.

Frontend Developer Intern — CodeAlpha India

Oct 2025 – Nov 2025

- Completed assigned frontend tasks using HTML5, CSS3, and JavaScript, applying Flexbox and CSS Grid to build responsive, cross-device-compatible layouts.
- Wrote clean code and used Git and GitHub for version control throughout the internship.
- Received a Letter of Recommendation for quality of work and professional conduct.

PROJECTS

StudyVault — Student Resource Management Platform | React.js, Node.js, Express.js, MongoDB, Mongoose

- Built a MERN-based student resource management platform with secure user signup/login and a student dashboard.
- Enabled students to add, view, organize, and delete academic resources across categories such as notes, assignments, past papers, videos, and documents, with active links for direct access.
- Used MongoDB/Mongoose for resource data management and built a clean, responsive user interface.

PeerPath — Student Learning & Growth Ecosystem (In Development) | React.js, Node.js, Express.js, MongoDB

- Designing a full-stack ecosystem to support peer interaction, guidance, and skill discovery, built with React.js on the frontend and Node.js/Express on the backend.
- Building a MongoDB-backed REST API and reusable, responsive React components to support community and learning-support features within a scalable project structure.

MealWise — Meal Planner App | React.js, Axios, Tailwind CSS

- Built a recipe discovery app in React.js that integrates an external recipe API via Axios, with filtering and ingredient parsing for detailed recipe views.
- Implemented the UI with React Hooks and a component-based architecture, styled with Tailwind CSS for a responsive layout.

Nebryx Space Landing Page | HTML5, JavaScript, Tailwind CSS

- Developed a futuristic, responsive space-themed landing page with scroll-based animations, parallax effects, smooth transitions, and interactive hover effects.
- Used animation and visual storytelling to create an immersive browsing experience, responsive across different screen sizes; deployed on Netlify.

EDUCATION

BS — BBIT — Virtual University of Pakistan

Oct 2025 – Aug 2029 (Expected)

Intermediate — Computer Science — Govt. Degree Girls College, Karachi

Apr 2022 – Mar 2024

Matriculation — Computer Science — SM Public Academy, Karachi

Completed 2022

CERTIFICATIONS / TRAINING

- Responsive Web Design — freeCodeCamp
- Web Development with React — Bano Qabil, Alkhidmat Foundation
- MERN Stack Program — Bano Qabil, Alkhidmat Foundation
